

NOVEMBER 29TH

NO AWANA – ENJOY YOUR HOLIDY!

For Parents

Thank you for your continued support and trust in allowing us to care for and teach your children, it is our privilege and pleasure.

As concerns regarding Covid-19 begin to grow again, and state and local authorities begin to tighten guidelines, I wanted to take a moment to address our approach to the AWANA program in the coming months.

We believe that no one is more equipped to make decisions about your children than you. As their parent, you know best what your child needs, and only you can decide how to keep them strong and healthy. Our goal in the BBC AWANA program is to continue to provide a safe and consistent environment for your children to learn and grow, especially through these turbulent times.

We feel based on everything that we have read and heard that COVID-19 does not pose substantial threat to children. We would never presume to make parenting decisions for you, but we will continue to keep our program open, and allow you to decide if you want your child in AWANA. We are committed to keeping AWANA running through the end of the school year.

We are always open to questions and input and we will continue to observe all reasonable precautions including social distancing, mask wearing, hand sanitizer, temperature checks and disinfecting.

If you have any questions or concerns, please feel free to call or text me at any time: (562)455-7012. Thank you again for loving your children!

In Christ,
~Commander Matt
