BUSINESS MEETING & THANKSGIVING SERVICE

Join us today at 5:30pm for a brief business meeting, followed by a Thanksgiving Service at 6pm. We will hear testimonies from the congregation and participate in the Lord's Table.

AWANA & YOUTH

There will be no AWANA or Youth activities today. Activities will resume next Sunday. The Youth Service and AWANA check-in begin at 5:45pm with AWANA beginning at 6pm.

MISSIONARY OF THE WEEK

Melissa Baccarella

MBaccarella@abwe.cc

Pray for her to have opportunities to minister on a one-on-one basis. The Covid infections in Italy have softened hearts so that people are more open to listen. She works with an ABWE team in Caselle evangelizing and discipling Italians with the goal of starting a local church.

GRACE CARES

Every Sunday, be sure to pick up a card from the display in the foyer and send some encouragement to someone! Bonnie King coordinates this ministry.

The Children's Center will re-open tomorrow, and there are several **JOB OPENINGS** available! We have openings for the morning and afternoon shifts in all age groups. Experience is preferred, but not required. Applicants may email their resumes to Sheri Hicks at slhicks@mygracechatt.org along with any questions.

You can also help us furnish the Children's Center by purchasing items on their **AMAZON WISH LIST!** Please consider how you might be able to contribute to this fundraiser, whether that may be monetarily or prayerfully. You may have items delivered to your home and then bring them to the Open House on Dec 6 from 10:45am-2pm. Come and view the renovated building, enjoy some snacks, and bring your gifts! Thank you for your support!

GRACE ACADEMY

Our thanksgiving continues this week with some great news! On Monday, Nov. 30 the Children's Center will open for the first time since Spring! Interior renovations are complete and the exterior will be finished soon with the construction of the covered drive-through.

GROUNDBREAKING CEREMONY

On Saturday, Dec. 5th, we'll hold a groundbreaking ceremony for the new campus facilities of both our church and school. While we're uncertain as to how many we'll safely be able to have on campus for the event, we are planning to have a live video, and will also follow up with a more professionally edited video. More details will be provided later this week. Please continue to pray for wisdom and support as this project moves forward!
