COVID Update for Parents

Thank you for your continued support and trust in allowing us to care for and teach your children, it is our privilege and pleasure.

As many of you may know, California has recently implemented stronger COVID guidelines in many counties including ours. As we interpret these guidelines, we do not see any change required for children's programs; outdoor activities are still allowed, as well as indoor activities with appropriate precautions. We plan to proceed as planned and continue to evaluate our program in order to maintain the health and safety of your families and our leaders.

As I said in my last letter, we will continue to keep our program operational for the remainder of the AWANA year, and will make our best effort to honor local guidelines as long as we believe they are reasonable and biblical.

As always, if you have any questions or concerns, feel free to reach out to your child's leaders, myself, or the church's pastoral team. We value your input, and we also encourage you to keep us informed if any COVID exposure occurs in your household so that we can protect other families.

In Christ,
~Commander Matt
