Socially – children learn to play and develop friendships with Christian values and choices

Emotionally – smaller class size, individualized attention, teacher and aide model Christ's love and demonstrate integrity

Developmentally – with maximum class size of 12 students, children grow at their individual pace with Christian encouragement

Physically – intentional time for health and physical development

Eternally – preparing and equipping young disciples with a foundation for life!

### What do Lutheran Church Missouri Synod Christians believe, teach and confess?

We believe that every person is a sinner, born spiritually dead and is unable to be saved by virtue of one's own actions. We believe that God the Father, Son and Holy Spirit is One, and is just and merciful. We believe that Jesus Christ is both God and Man and is our only Savior, now and forever. We believe that faith is a gift created by the Holy Spirit through the Word and that Jesus Christ alone is the object of this faith. We confess that Scripture alone has revealed that a person is justified (pronounced innocent – “just as if I never sinned”) by grace alone (“God's Riches at Christ's Expense”) through faith alone in Christ alone. You will find God's Word at the heart of all we say and do.
