### OUR HEART

Several years ago, after over twenty years in the ministry, I became de-churched. I was exhausted, and hurt and thought my life and ministry was over. My life derailed and I spiraled down in depression, anxiety, fear, and failure. I was sitting in a place I never thought I would be sitting, I was doing things I never dreamed I would be doing.

God, and a wife who would not give up on her husband and the call of God on his life, is why I am here today. God restored my life, my marriage, and ultimately my ministry. My life has never been the same since. What a kind, loving, and thoughtful God to want me despite all I had done. He Restores!

As we were praying about what was next in God's plan for our lives, we felt a burning desire to plant a church in Franklin, Kentucky. It is no accident that we are calling it Restoration Church. He still wanted me! He still wants them. His desire is for the people of Simpson County to experience Him. To experience His power, to experience His Presence, to experience His love. Like he did for me, we have been called to reach those who declared they would never step foot in a church and those who said they would never go back. Simpson County needs a Spirit-filled church! We are dream builders, faith igniters, and leader shapers.

Programs and processes are good, but until we encounter God, we will never start our journey to possess His purpose for our life.

God has used our thirty years of ministry experience to equip and prepare us to bring Restoration to this region. I know it will be hard, I know things are uncertain, and I know that there will be many sacrifices. I believe that what God has deposited inside of DeAnna and myself is precisely what Franklin, Kentucky needs. The power, presence, and love of Jesus changes everything.

Thank you for believing in the mission of the Church and the call of God on our family's life. We are partners in this glorious Gospel, and we consider it a privilege to partner with you. Now let's take Franklin for Jesus! — **Pastor David & DeAnna**

**We have established an approach to church that keeps us focused on our mission and values. These five things are what we will keep as our focus and do with extreme excellence. They will allow us to never lose focus on what God has called us to do.**

### **Weekend Worship Experience** *Hebrews 10:25 & Matthew 18:20*

From the parking lot to the pulpit, our weekend experiences will reflect life-change through Christ in every way. We will engage in passionate, driven worship that lifts up God's greatness. The sermons will be Bible-based, and full of truth, grace, and love.

### **Next Generation** *Psalm 127:3*

We strive to leave a legacy for those who will carry on the faith. We realize that life-change through Christ will happen at a young age. Whether it's a newborn baby in the nursery or a college student in search of a career, we are committed to the Next Generation. This always includes the previous generation, regardless of how old you are.

### **Life Groups** *Acts 2:42*

Life-change happens in circles. Unity happens in circles. Life Groups are the way that we will see relationships and community.

### **Local & Global Outreach** *Matthew 28:19 & 1 Peter 4:8*

We will see a city and a world changed by God's love through our actions. We will serve the city by targeting the greatest needs and making it a priority to see hope restored and life-change through Christ. Globally we will partner with others, sending support, and people to the far ends of the earth.

### **Involvement** *Ecclesiastes 9:10 & Ephesians 4:12*

Our focus will be to see people involved and active in ministry. Not just attending a service but sharing in the story of life-change.

# START-UP BUDGET . . .

## **\$65,500 — Worship & Production**

We desire to be a church where worship is contagious, corporate, and an authentic expression of the love we have for God. A worship atmosphere that invites people into a genuine encounter with God.

## **\$35,500 — Advertising & Outreach**

We desire to have a heart like Jesus that loves our cities the way He does. We know in order to be effective in reaching lost people, we have to start in our communities and reach those around us.

## **\$21,000 — Guest & Connection Experience**

A community where people can feel belonging before having to behave a certain way. A church with outrageous hospitality from the parking lot to the platform.

## **\$25,000 — Kids Ministry**

God has given us a burden for the next generation. We long to see a church where children and students are actively pursuing and involved in fulfilling the mission of Jesus. Simply put, we want our children to encounter and know God.

## **\$28,000 — Operational Budget (6 months)**

We are a church whose model, like Jesus', is intentional, relational, instructional, biblical, and non-negotiable. We want to actively, productively, and aggressively steward what He entrusts to us.

## CONNECT

Our goal is to have a team of 70+ people to make this vision a reality. We believe that God wants to do something significant in the lives of the people of Franklin. We need vision focused people to serve, attend, and help create an atmosphere that welcomes people to attend church so that they may hear the life-giving message of Jesus Christ. Prayerfully consider joining our team, and help spread the word.

## SERVE

One of the greatest ways to impact the church and the Franklin area, is to send a mission team at strategic times throughout the year. There will be numerous times when it would greatly benefit the church to receive mission teams to help with various projects and community outreach.
