## January 22, 2021

### Weekly Worship Services

#### Catholic Mass – Saturdays, 5 pm

The 5 pm Saturday evening Catholic Mass is off to a great start! Father Barrows and Monsignor Moore (from St Andrews Church ) take time out of their busy schedules to say Mass for us right here at our own Chapel! Please join us, and you will find great comfort spending an hour with us during these troubled times! Live music is provided each week by Jackie Robbins, on cello, and Katherine Warren on piano. Seating socially distanced, every other row inside the chapel, or many parishioners sit outside, staying in their own golf carts or on the chairs provided. The Chapel has generously shared their outdoor speaker system with us so all can see and hear beautifully. Hope to see you soon!
