

Chris and Lotta's Prayer update December 2020

Dear friends and prayer partners,

**"It is good to give thanks to the Lord, to sing praises to your name, O Most High"
Psalm. 92:1**

Happy and blessed New Year!

One of our yearly traditions on New Year's Day is to summarize the previous year.

Throughout the year we take a lot of pictures and notes so every month Lotta makes a collage of all the pictures and on New Year Day we look through the album and we share memories and all the good things God has done the previous year.

As we look back It has been a year full of happy moments and memories but with challenges as well. We are so grateful to the Lord for his goodness and faithfulness over this past year and for the ways he enabled us to serve in Emmaus church.

One of the highlights of 2020 was that after years of praying and hoping to find an apartment, We finally moved to Åkersberga right before the Covid crisis started.

In the end of November we came up with the idea to do short devotions 5-7 min long, during the weekdays up until Christmas. The theme was "Christmas narrative in chronological order" with Matthew and Luke's gospel. We decided to do one day each so that gave us both the time to prepare the material and sound record it. This project brought nice memories back, since we both have experience working on local Radio ministry many years ago. We were not quite prepared for the great response which we are both thrilled and grateful for. So if God is willing we'll continue to do this in the spring and something similar for Easter.

Prayer Points:

- Pray for us as we are slowly starting up our one on one and other ministries in this covid crisis that God will give us wisdom and strength to persevere.
- For Lotta's mother, who is seeing her Dr on January 15th to talk about her hip surgery. She is in such great pain that her wish is to be operated.
- For our upcoming workshop on February 1st on Marriage and Ministry.

Yours in Christ,

Chris & Lotta and Obi-Wan Kenobi
