*From The Pastor :*  
*Thank you for being a part of Bible Baptist Church this Sunday as we come to worship the Lord in our services on His day. There are some different policies that we would ask that you abide by in these unknowing times. Please just wave or do a fake hand shake so that we can minimize the chances of spreading some sickness while at church. You are welcomed to come into the parking lot and listen in on any of our service times that we might be live streaming, if you would like to have a sense of "coming to church". Our live stream right now can be found by searching for, Bible Baptist Church of Marysville on facebook or youtube. We are still having our normal service times but they are all going to be adjusted to minimize social contact until the threat of this situation is subsided. We would be happy to help assist you and your family if any needs arise throughout this time and you can contact us best through email. God is still on the throne, He is still able to save and protect, so don't lose hope or trust in Him. Be wise, considerate, and optimistic, that God will bring about his purpose through these events and situations.*

Your Friend,

Pastor Jeremy Stout
