**Partners:** We introduced The Refuge Ranch residents to House of Hope's Learning Center. Rob Ranieri, Exec Director of HOH, is providing career counseling and job training for the residents at no cost.

**Partners:** Family Promise is sending their homeless families to Christian Community Dental Center for dental care.

**BECAUSE OF YOU**, Emmanuel and Audri, 17 year old temporary residents at Family Promise received a bike and clothing from White Dove funds. See Emmanuel's smiling face on our bulletin board.

**BECAUSE OF YOU**, our support of The Refuge Ranch changed one woman's life forever. Jackie Sue received our grant to reduce her working hours and increase her class load at Indian River State College; her goal is to be a social worker. As a child, Jackie Sue was rarely taken to school and faced abuse. She left home at age 14 and led a life of substance abuse for fifteen years. Since arriving at The Refuge Ranch, Jackie Sue obtained her GED; cramming what most children learn in elementary, middle and high school in two years and enrolled in Indian State College. Jackie Sue wrote us: "Without your support, I would not be able to take on this many classes. Thank you for believing in me. It means a lot to me."
