Matrimony/Wedding Policy

First Evangelical Lutheran Church (FELC) congratulates you on your upcoming marriage and is pleased to make our facilities and members of our staff available to help you. We hope and trust that the occasion of your wedding will be one you treasure and will be one of reverence, beauty and joy. We offer the following requirements and suggestions concerning facilities, furnishings and staff.

CHURCH FACILITIES:

- Our Church facilities consist of the sanctuary where your marriage can be performed, preparation rooms for the bridal party, and a Fellowship Hall and kitchen where – if you choose you may hold a reception following your wedding. Receptions will be scheduled with the church office under a “Building Use” agreement. The church is not available for rental purposes.
- Our Sanctuary seats up to 300 guests comfortably and the capacity of the Fellowship Hall is approximately 300 people.
- Weather permitting, outside services are available at the church. Please contact the church office for details.

CHURCH FURNISHINGS:

- **SANCTUARY** – FELC offers the use of its pulpit and altar. We have oil-filled candles for use on the altar, two sets of candelabras, and a wedding kneeling pillow available for use. The unity candle, if being used and set up (taper candles and holders) are supplied by the wedding party. It is inappropriate to decorate the Church so as to disguise its appearance as the place of worship, as the Church wedding is a service of worship. Therefore, we ask that all Church property is left in its original position. In most cases, decorating may be done prior to the day of the wedding with the help and guidance of your Wedding Coordinator.
- **FELLOWSHIP HALL** – Table and chairs may be arranged in the Fellowship Hall for use during the reception. Kitchen items such as dishes, silverware, linens, etc. are available for use. Food, beverages, and paper products are supplied by the wedding party. Your Coordinator will help coordinate the reception. All arrangements for clean-up of the Fellowship Hall following a reception are the responsibility of the wedding party. The Church custodian may be available for hire based on availability. Please refer to the schedule for further details.

STAFF PEOPLE WHO SERVE YOU: The persons needed to serve you in your wedding may vary according to the nature of your wedding service plans. The following are staff members who will be involved in the wedding process with their individual functions.

- **PASTOR** will conduct the service and will be concerned for you, your anticipated marriage, and the home you are preparing to establish. Pastor will meet with you before any plans are finalized and requires four premarital conversation sessions. These sessions are designed to help you, as a couple, prepare for a life-long marriage, as well as the wedding. The Pastor will discuss the service with you so as to tailor the service to you and to insure that it is appropriate for the Church. The pastor will direct the rehearsal at the wedding service. And take care of the necessary reporting of the marriage to the County Clerk. Only called Pastor of First Lutheran preside at marriages of FELC.

- **WEDDING COORDINATOR** will work with you in making arrangements for your wedding and the execution of a successful event. The wedding coordinator will meet with you to work out details and answer your questions. He/She will work with those who will assist at the wedding itself and at the reception if it is held at the Church.
- **DIRECTOR OF MUSIC** is available to assist in providing an organist for the rehearsal and wedding ceremony. The Director of Music will assist you with your selection of music and can also help provide a soloist if needed.
- **CHURCH CUSTODIAN** prepares the building set-up for the wedding and reception. It is the responsibility of the wedding party to make arrangements to leave all facilities clean and orderly. Coordination of hiring the Church Custodian is handled through the Church Administrator.

REGULATIONS AND SUGGESTIONS: Weddings held at FELC need to be scheduled 30 days in advance and will be conducted by FELC's Pastor.

PREMARITAL CONVERSATIONS/COUNSELING:

The Pastor, by oath of his office, is required to diligently inquire:

1. Whether the union contemplated be in accordance with the word of God.
2. Whether it is in accordance with the laws of the State of Idaho.
3. Whether it is intended to be in accordance with this policy.

Therefore, the wedding will be conducted after premarital conversations with the pastor. Four (4) sessions are required and must be completed one week before the wedding date. Appointments can be made by calling the Parish administrator at 208-522-9301. If one or both members of the wedding party live outside the area, other arrangements can be made.

HOLY COMMUNION: The sacrament of Holy Communion may be combined with the Rite of Marriage after proper planning and counsel with the Pastor.

RESERVATION PROCEDURE:

1. Select a date and check with the Church Office for availability. A \$100 deposit fee is required to secure the date.
2. Schedule an appointment with the Pastor to begin the premarital conversation sessions. Normally, your wedding Coordinator is present for the first appointment.
Please do not have your wedding invitations printed up and mailed until after this 1st session.
