Isaiah 43:18-19: Remember ye not the former things, neither consider the things of old. ¹⁹ Behold, I will do a new thing; now it shall spring forth; shall ye not know it? I will even make a way in the wilderness, and rivers in the desert.

In 2020 we experienced major setbacks in our homes, churches and communities. This caused many to miss out on the contentment that accompanies the new life we live through Jesus Christ. There was a sense of feeling trapped in a chain of events. A loss of hope that things would change plagued even devout Christians. The disappointment and failures of the past year made it seem the world as we knew it was spiraling out of control.

But 2 Corinthians 5:17: "Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new."

In light of God's Word, we need to look forward and not backward. God said, "Remember ye not the former things". God takes us to a place of dependence creating new beginnings and new blessings. Our faith is sometimes limited by past experiences. If we continue to live in the past, we may miss our future including all of the new things God wants to do.

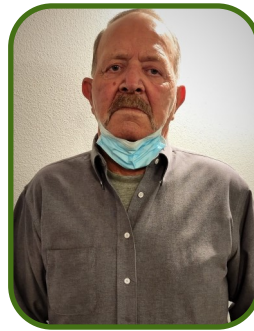

New life is not only available to us when we first place our faith in Christ for salvation. There is a newness available to the weary servant of God who has remained faithful for years. Isaiah 40:31 tells us there is renewed strength to those who wait upon the Lord. Lamentations 3:22-23 reminds us that His mercies are new

every day. He stands ready to do a new thing this year. Therefore, we should look forward with anticipation to what He is going to do.

February 1st is the annual observance of National Freedom Day in the USA. Honoring the signing of the resolution that later became the 13th Amendment to the U.S. Constitution. Abraham Lincoln signed the document that outlawed slavery February 1, 1865. Although this resolution was ratified by the states later, it was the first step to make all people free regardless of their origin and color of skin.

The Dachs were German-speaking immigrants who settled in Pennsylvania. They developed their own legend of Candlemas in the 18th and 19th centuries bringing with them the custom of the native Groundhog as their annual weather announcer. Candlemas involved the clergy blessing and distributing candles needed for winter. The Dachs transformed the idea by selecting an animal to predict their needs for winter. The first-ever Groundhog Day was created by a local newspaper editor Clymer Freas around 1886, who convinced Groundhog hunter, local businessman, and all members of his Punxsutawney Groundhog club on the idea of Groundhog Day. They all made their way to Gobbler's Knob where the Groundhog would make the final decision on the weather. Today, a group called the inner circle wear top hats, conduct the official proceedings on February 2 in a Pennsylvania Dutch dialect, where tens of thousands of people attend the day's events every year.

Shrove Tuesday

Pancake Day, or **Shrove Tuesday**, is the traditional feast day before the start of Lent on Ash Wednesday. Lent – the 40 days leading up to Easter – was traditionally a time of fasting and on **Shrove Tuesday**, Anglo-Saxon Christians went to confession and were "shriven" (absolved from their sins). February 16th.
