

Please read the insightful information from Brother Glenn in relation to our sound improvement needs for our Worship Center ~ Pastor Charles

The recommendation before us is to replace the entire sound system, except for a few newer items, with new equipment using current technologies that will enhance and support the worship ministries for years to come. By securing the services of a professional audio company, this entire project is projected to cost no more than \$30,000 and will be completed by May 31, 2021.

**VOTING ON SOUND SYSTEM WILL HAPPEN IN MARCH BUSINESS MTG.**

Thank you to my church family for the money, beautiful bracelet and kind words. Bitter sweet memories- Bitter because I feel sort of like I'm leaving an old friend (the organ). And sweet for the sentiment of self worth in having such a great opportunity to play all those many years!- Brenda Hinz

“God has a purpose behind every problem. He uses circumstances to develop our character. In fact, he depends more on circumstances to make us like Jesus than he depends on our reading the Bible.”—Rick Warren
