Dear friends,

“Count your blessings, name them one by one. Count your many blessings, see what God hath done.”

- *The song challenges us to realize how blessed we are!*
- *We want to praise our Great God for His salvation and preservation in this time of COVID 19.*
- *In Buenos Aires we are still not able to meet in person at church. There are no “regular” flights in or out of the country as well as no interprovincial flights within the country. No long distance bus traveling, no schools or non-essential businesses.*
- *YET! God is still working fulltime and...helping us to grow day by day challenging us to trust Him and be patient for there is an inheritance for us... His promises!! Hebrews 6:11-12*
- *Through personal contacts Daniel and his niece Yamila were saved at a grave side service attended only by 5 people (because of the restrictions). Three family members and Marty and myself.*
- *Another person was led to Christ by a member of our church coincidentally we have the same initials – A.J.M.*
- *From the missionaries our church supports, Praise the Lord! we receive constant reports of people being saved...
Two men and two ladies led to Christ in Concepcion del Uruguay, Entre Rios, Argentina.
Two saved through the witnessing of our missionary who is also a city policeman and is able to minister to men in jail.
Several saved and baptized in Philippines by a native Filipino in a church he started before coming as missionaries to Ushuaia located in the southernmost part of Argentina. They have been stranded in the Philippines, unable to return to Argentina because of the restrictions on travel.*
- *Though we are ministering through virtual services, God’s hand has not been shortened and He continues to be mighty to save!*
- *Have we had people with Covid 19? Yes! Yet God has watched over and protected us all!*
- *God has used you to provide for our needs for the which we are ever so thankful! Let us continue to be faithful to our God... He is so faithful and good to all of us!*

May God richly bless you and sustain you!

Yours serving Christ... in Argentina,

Al & Marty
