Matthew 22: ³⁶ Master, which is the great commandment in the law?
³⁷ Jesus said unto him, *Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind.* ³⁸ This is the first and great commandment. ³⁹ And the second is like unto it, *Thou shalt love thy neighbour as thyself.*

Spring is on the horizon. With Easter approaching our minds reflect on the day Jesus rose from the grave. Triumphant over death; Hope arose. This is a time of rejoicing and celebrating that victory. No greater love has ever been

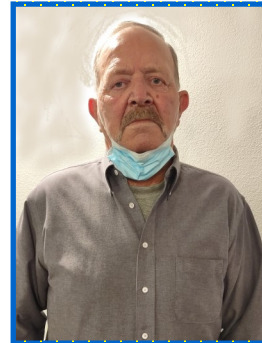

known or has there ever been a display of love in action that compares. The man who not only laid down His life for His friends but also had the power to take it up again gave us the purest definition of love. We can share the message of Hope and Love because He lives.

People have a desire to know they are loved. No matter the age, gender or nationality love crosses the generational gap. God is love and we are to let our lives overflow into others as Jesus did. Love is the evidence of a living faith. There truly is no greater love than a man willing to lay down his life for friends. Not many of us have been asked to die for our friends but we have been asked to lay down things that would prevent God's love from shining through. Are we willing to lay down our life or agenda if need be for the world to see God's love in us? Jesus laid down His life for His friends while also giving His very last breath for those who hated Him. Let us walk in His footsteps loving those dear to our heart and those who may seem unlovable. This is one the marks of a victorious life.

LOVE
"Lord your God
with all your
heart, soul and mind
...and LOVE
your neighbor
as yourself."
(Matthew 22:37,39)

Annie Armstrong (1850- 1938) was a remarkable advocate and supporter of missions. A gift to the *Annie Armstrong* Easter Offering helps people hear about the love of Jesus Christ. ... Here are a few other *facts*.

The first principle of missions is that it is God-ordained. We don't have to debate the rightness or wrongness of trying to evangelize the world. God has called us to this important task. God Himself chose the first missionaries! The second principle is also very important, speaking of the church, "Then, after they had fasted, prayed, and laid hands on them, they sent them off." God calls His workers; the church sends them out and supports them. In order to achieve God's plan of evangelism, both parts of the plan must be active. We know God will always be faithful to His part of the plan, but what about the church?

Before the war, Americans rarely used the flag to express patriotism. But the flag's appearance over Fort McHenry during the Battle for Baltimore and Francis Scott Key's poem "The **Star-Spangled Banner**" inspired the public. After the war, the flag was often displayed as a symbol of national pride and unity.

It's that time of the year that we must set our clocks forward. So remember before you retire to bed on March 13th, set your clocks ahead one hour and you will be in sync with the United States (except for Arizona and Hawaii and American Samoa, Guam, The Northern Mariana Islands, Puerto Rico and the Virgin Islands.)

What is the 'Real' reason for St. Patrick's Day: Paddy's Day started as a religious celebration in the 17th century to commemorate the life of **Saint Patrick** and the arrival of Christianity in Ireland. This "Feast Day" always took place on the anniversary of **Patrick's** death, which was believed to be March 17, 461 AD. So why is it so popular in the United States? In the face of their ill treatment, Irish Catholics in **America** decided to throw **huge**, proud parties on the 17th March to celebrate their heritage and show pride in who they were.

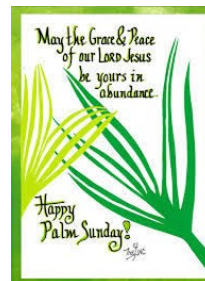

When you are having a function or just doing things to make God's church look better, take a moment and snap a picture or two for me for the Communicator. I appreciate all the pictures sent.

Perhaps you are mildly surprised to learn that **March 19** is the first day of spring. Perhaps you learned as a child that the **spring equinox** — when day and night are roughly the same length — occurs on either **March 20** or **March 21**. Astronomical **spring** officially begins at the equinox, which **will** occur at 5:37 a.m. EST on March 20, **2021**, and nearly three weeks after the start of meteorological **spring**, which, year in and year out, starts on the **first** day of March.

Passover will begin in the evening of Saturday, March 27 and ends in the evening of Sunday, April 4. **Passover**, Hebrew Pesach, or **Pesach**, in Judaism, holiday commemorating the Hebrews' liberation from slavery in Egypt and the "passing over" of the forces of destruction, or the sparing of the firstborn of the Israelites, when the Lord "smote the land of Egypt" on the eve of the Exodus.

Palm Sunday, March 28th

Palm branches are a symbol of peace and victory and they were laid down in Jesus' path as He rode into Jerusalem.

Be reminded of the reason for the Easter Season! Amongst all the busyness that goes on, reflect on Jesus and His Resurrection.

Jesus, how could you ride on a donkey one day, and hear the Hosannah's they cried, when you already knew they would turn on you and wanted you crucified? I don't understand how you kept loving them over and over again, til I look in the mirror and I see myself, and remember—I'm just like them.

We will have a Business Meeting on Sunday, 28th. You are encouraged to attend to keep abreast of things going on.

Business Meeting

The Vietnam War Veterans Recognition Act of 2017 was signed into law by 45th U.S. President Donald J. Trump, designating **every March 29** as **National Vietnam War Veterans Day**. National Vietnam War Veterans Day: March 29 is a fitting choice for a day honoring Vietnam veterans. It was chosen to be observed in perpetuity as March 29, 1973 was the day United States Military Assistance Command, Vietnam was disestablished and also the day the last U.S. combat troops departed Vietnam. In addition, on and around this same day Hanoi released the last of its acknowledged prisoners of war.
