

MISSION

EST. CHURCH 2020

Internships 2021-2022

Purpose: The Mission Church Internship program is a 9-month church based training program designed to help individuals discern a call to ministry, or to learn the day-to-day ministry in a local church planting context in Las Vegas, NV. Participants will be provided hands-on experience in a specified ministry, while also gaining knowledge of other ministries. Every intern will receive intentional training and development from elders, to help them develop important skills and foundations that are necessary for gospel ministry and Christian growth. It is expected that interns will not just be receivers, but contributors, by playing an important role in serving and discipling others at Mission.

Who Should Apply: Any Christian who is discerning a call to ministry, or would like to learn the day-to-day ministries in a local church can apply. The purpose of the internship is to develop and equip followers of Jesus to serve faithfully in the church for the sake of the gospel.

When To Apply: Applications open March 1, 2021, and close by the end of the day on March 29, 2021.

Structure of Internship: Mission Church Internships run from September 2021 to May of 2022. Internships will require 14 working hours a week, with 10 hours take place Monday-Thursday, and 4 hours being designated on Sunday mornings. The scheduling of these hours will take place between an intern and elder at Mission.

Compensation: It is free to apply, and no compensation will be provided to interns. Any materials related to development such as books will be provided by Mission Church. Fundraising is encouraged.

Possible Areas of Focus: Interns will be placed in any of the following ministry departments: Mission:Kids, Mission:Youth (start-up); Local Outreach, Music Ministries, Operations, Discipleship/Connection, and Communications & Graphic Design. Fit will be based on conversations with the intern, desired ministry, and elder's availability to oversee the intern.
