

MISSION

EST. CHURCH 2020

Internships 2021-2022

Purpose: The Mission Church Internship program is a 9-month church based training program designed to help individuals discern a call to ministry, or to learn day-to-day ministry in a local church planting context in Las Vegas, NV. Participants will be provided hands-on experience in a specific area of ministry, while also gaining knowledge of other ministries. Every intern will receive intentional training from elders to help them learn important skills and foundations necessary for gospel ministry, as well as Christian growth. It is expected that interns will not just be receivers but contributors, playing an important role in serving and discipling others at Mission.

Who Should Apply: Any Christian who is discerning a call to ministry, or would like to learn the day-to-day ministries in a local church can apply. The purpose of the internship is to develop and equip followers of Jesus to serve faithfully in the church for the sake of the gospel.

When To Apply: Applications open March 1, 2021, and close by the end of the day on April 30, 2021.

Structure of Internship: Mission Church Internships run from September 2021 to May 2022. Internships will require 14 working hours per week (10 hours Monday-Thursday and 4 hours Sunday mornings). The scheduling of these hours will be arranged with an elder at Mission.

Compensation: It is free to apply. There is no financial compensation for interns, however, any materials related to development, such as books, will be provided by Mission Church. Fundraising is encouraged.

Possible Areas of Focus: Interns will be placed in any of the following ministry departments: Mission:Kids, Mission:Youth (start-up); Local Outreach, Music Ministries, Operations, Discipleship/Connection, and Communications & Graphic Design. Ministry placement will be based on intern's discussion with the elders of Mission Church, desired area of ministry, and an elder's availability to oversee the intern.
