

FORWARD IN FAITH

I cannot think of a greater place in our nation where God might do a greater work of the gospel to receive a greater glory.

Pastor Brad Guenther

2 Corinthians 9:10-11 (ESV)

He who supplies seed to the sower and bread for food will supply and multiply your seed for sowing and increase the harvest of your righteousness. You will be enriched in every way to be generous in every way, which through us will produce thanksgiving to God.

LOCATION

The 6.5 acre vacant land that is the future home of Immanuel Church is located on the corner of Columbia Turnpike and Onderdonk Ave. in the heart of East Greenbush. It is 3 miles from downtown Albany, and has a population of over 100,000 people within a 5 mile radius, over 70% of whom are unchurched.

GOAL \$250,000

We hope you will prayerfully consider making a one-time contribution and/or a commitment to a monthly donation beyond your normal tithes and offerings over the next 24 months (April 2021-April 2023) to help finance the building of the new multi-purpose church facility.

HISTORY

Planning for a gospel church in East Greenbush began in 2001 and Immanuel Church held its first Bible study group and service in late 2004. Over these past 16 years, God has shown His faithfulness and favor in so many ways.

VISION

Our vision is to further establish a gospel lighthouse in East Greenbush and Southern Rensselaer County that will continue to burn for generations. Building a permanent church home for Immanuel is a next step forward as a gospel presence and a center for discipleship, outreach, and ministry for our community.
