Using Logos for Hebrew Word Studies – Old Testament

- 1. Go to logos.com/vanguard to create credentials with your vanguard.edu email address. Be sure to accept the email invitation from Faithlife to join the Faithlife group. Download the software to your computer.
- Open Logos software with the icon. In the upper left corner of the screen, <u>click on this icon</u> to **open your library**. Your cursor should automatically move to the library search box. <u>Type in</u> <u>LEB</u> and <u>click on it</u> to **open your LEB (Lexham English Bible)**. <u>Type your verse(es) into the reference</u> <u>box</u> to **open your text**.
- 3. Next, activate multiple resources display by clicking on this dropdown arrow. <u>Type</u> <u>"LHB</u>" (Lexham Hebrew Bible) into the search box, click on the check box to select it, and then click on <u>"save."</u> Next, <u>click here</u> to activate parallel view, and you should see the LEB/LHB in parallel columns.
- 4. Near the chapter and verse reference at the top of the Bible window, <u>click here</u> to customize visual filters. Under "Resource" <u>click on "corresponding selection" and "corresponding words." Under "corresponding words," select same word, same surface text, same lemma, and same root.</u>
- 5. <u>Click on the library icon again</u> to open two more resources: **LTN (Lexham Textual Notes)** and **FSB (Faithlife Study Bible)**. To link all of your books to the same Scripture reference, <u>click on the</u> <u>3 vertical dots</u> on the upper right side of the pane for each book. <u>Select "link set A" for all.</u>
