Dear Pastor Gray and friends at Harvest Baptist,

We do pray that God is blessing you all during these unusual times we are experiencing. There have been many new things to learn, including how to have virtual services. This has been quite a challenge. Praise the Lord for the younger generation that is more technically inclined. They have been a blessing and also been blessed to participate in preparing these online activities.

You have been a great blessing to us! When we read our support and saw the extra offering you sent to us for Covid 19 expenses it brought tears to our eyes. I apologize for not writing sooner.

It also gave us a desire to help the missionaries that our church here in Argentina supports. We have been able to send extra offerings to help with their financial difficulties at this time.

So, thank you!!! You have encouraged us greatly. But you have also helped us to be more sensitive to the needs of others and to do our best to help them when it is possible.

May God continue to bless you!

Yours for souls...
