May 2020

Dear praying friends,

Someone said, "life is what happens while you are making other plans". How true this is for everyone all over the world!

Here in Buenos Aires, Argentina we had just finished our annual Missions Conference March 15th. Dr. & Mrs. Bill Smith were to leave for the States the next day when their flight was cancelled. That started a series of events that has kept us in quarantine for over 7 weeks. And it isn't over yet. Dr. & Mrs. Smith were able to get to Mendoza the middle of April.

We were planning on staying in their home in Oklahoma City for about three months and be there for our grandson's (Josué López) graduation from Heartland Baptist College and our granddaughter's (Andrea López) wedding and things were turn around and they ended up staying with us! Josué will have graduated by the time you receive this. Andrea was married on March 28, 2020. We didn't make it.

We had to make adjustments in the ministry here as everyone has all over the world! Our first online service resulted in seven young people making professions of faith in Christ. Praise the Lord!

Dr. Smith has taught a course on "The great sayings of Job" and has been preaching all services including Easter Sunday. What a blessing they have been! No doubt God's plans are always better than ours even if at times we wonder what He is doing!

The Word has gone out from our home both in English and Spanish not only to our congregation, to others in our country, but also to many countries around the world.

We are so thankful for you, your prayers and support. They are essential, a blessing and a great encouragement in these special times more than ever!

Yours for souls...

Al and Marty
