

Pastors, family, and friends,

Happy early Valentines Day!

We had a great month of January in California and Arizona. One of the highlights was preaching an outdoor drive-in service at an Indian Reservation in northern Arizona. It was about 35 degrees outside that night, but as long as you're preaching with passion, you stay pretty warm :)

We have nothing much to report this month other than the fact that God continues to be faithful, gracious, and overwhelmingly good to us.

Praise the Lord that we are at 85% support! This amount is based on what is already coming in.

Please be in prayer for 2 things:

- That we'll be able to leave in June without any Covid delays
- That Mark Holmes (the missionary we'll be working under when we arrive) and his family will soon be able to get the negative Covid tests required to get back to Nigeria from their furlough

Thank you for your involvement in missions on the home-front. Because of you, we will soon be able to put our boots on the ground.

Your missionaries to Nigeria,

Garan and Anneliese Patrick
