

*I am thrilled to say the LORD has answered our prayers!!!*

## **SOUTH AFRICAN VISA APPROVED**

May 1st, I arrived in Chicago and then visited the South African Embassy and turned in my paper work. Within 5 minutes, 3 of my documents had been denied. Of course, my initial thought was. "What now?" After a little running around, scrambling to get me documents before the office closed at 12:30pm, I had come to the conclusion that it was NOT going to happen. Finally, I resigned to the fact (I know I should have done it sooner) that it was TOTALLY in God's hands. I went back to the office and told them that I did not have all of the paperwork and I was scheduled for a train that evening. She informed me that I could email her the remaining documents. THANK YOU LORD!

After only **8 days** the Lord had again answered prayer and my visa was approved for 3 years.

Thank you all again for continued prayers and support.

In Christ,
