Dear Pastors and Praying Friends,

Since my last update, I have had the opportunity to share in churches in Missouri, Pennsylvania, Ohio, Wisconsin, and Alabama. I am thankful to say that 4 churches have joined my team as well as an individual putting me at almost 80% (only \$21 short). The Lord has truly blessed over the last several months, providing for my health and financial needs.

In the beginning of this month, I had the wonderful opportunity to attend a ladies retreat in Alabama. It was a great time of spiritual renewal.

It is great to see the ministry advancing in Knysna, South Africa as my co-workers labor at the task of reaching people with the Gospel. Seeing the advancement in ministry only strengthens my desire to reach the field.

Please pray with me as I am hoping that my next prayer letter will be detailing an exact date of when I plan to be in South Africa. Along with this request, comes the need for secure and affordable housing, Visa approval, and other final preparations. Please also pray that the churches that I have been able to share in would partner with me in the work that God has called me to in South Africa.

Please pray for South Africa as they are experiencing GREAT drought, most significantly in the city of Cape Town. They are currently on a per person restriction of 50 liters, which is just about enough for a short shower and one flush of the toilet per day.

Thank you for your continued prayers and financial support.

In Christ,
