Dear Pastors and Praying Friends,

The end of 2018 came and went and with the new year the Lord has brought new ministry opportunities., PRAISE THE LORD. I am finally back to full health and I am so thankful for the many prayers on my behalf.

**Assembly Knysna Primary**

In the new school term of 2019, I started to participate in a program at Knysna Primary School that allows me to teach a Bible class every Friday morning to one of the Grade 2 classes.

In the end of January, after 8 months here, I finally had the opportunity to teach a health class at a local Mission

School. I have been teaching there weekly and the administrator has asked me to continue working with the kids every Thursday morning. I continue to volunteer at Fraasig Primary School in a couple of different classes working with children with learning needs. Last time I was there, I had the opportunity to work with 2 children from Malawi who are struggling with English. I have also had the privilege to teach a health class at Fraasig as well, and I am praying for further opportunities to teach additional classes.

**Monique & Lily**

I continue to work with Queen (meeting weekly for Bible Study) and with Monique and her sweet baby, Lily. Monique has come to a couple of Bible studies with me and we have now started a one on one Bible study. Please continue to pray for her and her husband Chris.

March 18-21, I have the opportunity to be a part of the Garden Route Youth Camp as the camp nurse. I am very excited and ask that you please pray for the 40 campers that we are expecting, as well as the staff during this time.

Thank you for your continued prayers and financial support.
