Dear Prayer Partners,

June 30, 2020

Greetings from Texas. May found us still in Ohio with the situation improving a bit. We were still able to give a report at one church where we live streamed the services whereas the rest of the month found us attending mostly drive-in service including a drive-in Gospel Concert which was interesting. The month was not without its complications. The key to the van started acting up and at times would not work. Finally, it stopped working altogether. We contacted the ministry with whose vehicle we are driving, and they decided to send the spare key. Unfortunately, a few days after it was to arrive I called again and discovered it was sent to the wrong state. When they sent the new car tags last February, there were to arrive in 2 days but two weeks. Since we were to leave Ohio in 9 days they instructed me to purchase a new key and they would reimburse me. By the grace of God the van started and I was able to get to a dealership that was nearby, but after I arrived the van would not start again and since the van has to be present to program the key I was relieved. I was even more relieve that the dealership had a new key, howbeit only one, in stock. After about an hour, we were back on the road again and 9 days later left to get to our next scheduled meeting.

June found us in Tennessee, Iowa and Kansas visiting our last three churches before returning to Texas. While in Iowa we are able to spend a week with my sister and collect all the things we left with her last December to take back with us to the field. We have a departure date set and tickets purchased. Although we did not raise all the support we needed to raise and are only at 89% of being fully supported, just like 5 years ago we are returning to Brazil on July 24th. We believe that if we cannot trust GOD to take care of our needs while on the field, then we have no business being there.

Finally, with all of the turmoil that is going on around us presently in the United States of America, we need to never lose sight of the fact that **GOD IS STILL ON HIS THRONE** and nothing will ever change that. Though we might be worried or perplexed with what is taking place, it is all within GOD's plans for our nation. One thing that ties to this fact and that we sometimes are apt to forget is what I saw on a bulletin board at an Indian church that we visited. It said this: **In the Bible there is No white church, black church, brown church, red church, yellow church. There is only the blood bought church of Jesus Christ. Jesus did not come to save skins, but to save souls.** Atalias' and my desire is to get back to the privilege of winning souls in Brazil.

Once again, thank you for your faithfulness in supporting us financially and/or prayerfully through the years. The churches in Jardim Varginha and Vargem Grande are here today because you prayed and invested in God's work. Please continue to pray with us that we will continue to see an even greater Harvest of souls for the honor and glory of our Lord Jesus Christ in 2020.
