Dear Pastor and Friend in Christ

October 2019

“Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us, Unto him be glory in the church by Christ Jesus throughout all ages, world without end. Amen.”

Ephesians 3:20-21

Many times we do not understand why or how but we know that our God is in control of all things and we learn to thank God and joyfully accept his will for our lives.

Several things have happened regarding the last letter I sent you. I will post the same photo again because I will like to tell you about Mrs. Florean (Pastor David Florean’s wife) for whom we were praying since she suffers from pancreatic cancer. God in His infinite love and will now has her there with Him in Glory. We rejoice ourselves because of our Hope we have in Him but we also understand that it is sad to hear this news. Pray for Pastor Florean and his 2 young boys

Having said this, I will change the subject. I always thank God for giving us the opportunity to organize our youth camp as we see how young people turn their hearts to hear the voice of the Holy Spirit. Perhaps they are more receptive because they are away from family and friends from school, but we know that God loves them and we also know that they are the next generation after us and we should strive to help them understand the Gospel of Christ. Once again there were various

decisions to be made to improve in their only life that God has given them, and of course, they had an excellent time of fun. TO GOD IS THE GLORY!!!

During these last months, church members have been growing and new believers have been added. Marco and his wife (Mirian), with great encouragement, joined the Bible institute that we restarted. Pray for them as we know that the enemy will always seek to discourage everyone, especially new believers. They are inviting and bringing to the church as many relatives as they can. Marco told me that his brother's wife (Monica) is someone who likes to read and know about God but was very reluctant to attend a church and much less be part of a "religion." Without knowing that she lived in that neighborhood, my wife and I knocked at Monica's door. At first she was kind but resisted accepting Christ because she did not understand what it was and confused it with "religion." She asked us if we would be willing to continue visiting her to teach her the Bible even though she had not received Christ, we said yes, and for 2 months we went every week. Suddenly one day she appeared at one of the church services, we all got excited but she still didn't receive Christ. By this time she already attended the church more faithfully and already understood what it was to accept Christ, and all the excuses were removed but something was missing. I know that your prayers for all your missionaries are valuable and even if we don't see the immediate fruit, for sure, there is fruit. At the end of October, the Missionary to Guatemala, Joel Marsh stopped by our church and preached the Gospel and that "something"(repentance)that was missing in Monica finally arrived and she, with repentance in her heart, accepted Christ that Sunday morning. TO GOD IS THE GLORY IN THE CHURCH BY CHRIST JESUS.

We are currently getting ready for our 9th Conference for Families in the Ministry. Everything we do for God is worth it and all this is possible because of Christ, first of all, and for all of you who support us in many ways, please continue praying for this activity that will be from November 12 to 14.

Thank you for your prayers, finances, support and letters of congratulations sent to us. We love you and pray to God to keep you faithful and constantly growing in our Lord Jesus Christ. TO GOD IS THE GLORY.

IN CHRIST'S LOVE
