

Missionaries in

Mexico

Dear Pastor and Friend in Christ

June 2019

*"And of his fulness have all we received, and grace for grace.
John 1:16*

I will always want to thank God for His Mercy and for His Grace that is upon Grace.

During the last few months there have been times when I feel that if it was not for His Grace I don't know what would have become of me, so I praise Him more and more. Please keep us faithfully in your prayers.

In March, I had the opportunity to fly to south Mexico, once again, to be in the conference that we call "for the families in the ministry". We all had a good time of fellowship trying to encourage all these families to keep faithful to the Lord in every area where God has lead them to go preach the gospel.

Many of these families that are in the ministry go thru trials, health problems and other situations that make us understand that it is only God's Grace that keeps us going forward.

Pastor & Mrs. Florian are going thru a hard situation. They have been faithful in that village (Apatzingan) for more than 15 years. She has been diagnosed with pancreatic cancer (she has lost a lot of weight). In this conference I had the privilege of preaching with evangelist Daniel Garlick (during the conference he was not feeling good), after he left back to the States that's when he went to the doctor for a medical review and was diagnosed with pancreatic cancer. Here is when we need God's Grace upon Grace. Please have them in your prayers.

After this, we had our Missions Conference. This is so important since we are having so many national missionaries going out to start new churches in Mexico and overseas.

We had a good mission's conference where we were willing to increase our faith promise offering and got on fire to pray for all the missionaries around the world for "that the word of the Lord may have free course".

In my last prayer letter I requested prayer for Marco and Miriam, they are a new couple that joined the church recently and their heart is for missions. They are praying for God's will to go to Lebanon. Lord willing we will start their Bible training in September.

Our summer weather has already started, and as I always say, it gets extremely hot; even so our church people have been faithful to the activities and to the evangelism program. We still see people get saved and some get baptized (I wish to see more get saved and baptized).

I want to thank each one of you who pray and give for the missionary work. I always praise the Lord for what you have done for our family and ministry during many years. We want to keep working hard for our Lord honoring all the effort you have made for me and many other missionaries. May God keep blessing your life

My mother, Rose, is her birthday (thanks for the I thank God for her life that mission field. Thanks for thanks for those that sent

doing well. In May she had birthday cards you sent her). she has invested in the praying for her and also her financial support.

Love God, love your family, love your Church and love your Pastor and his Family. Pray for the strength of God in our lives and to be able to renew soon our fleet of vans and buses.

IN CHRIST'S LOVE
