TOWNS FOR CHRIST

Team

Dear Pastor and Friend in Christ

May 2018

Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God. Philippians 4:6

What a Joy to learn how to go before God in times of worries and trials. God has always been blessing our lives and our ministry so we have much to rejoice in the Lord.

March was a wonderful time since we had the opportunity to celebrate another mission's conference. I will always open my heart to let you know how important you are to our lives and ministry in Mexico. American churches have always taught and loved missions. The Church will take on support a few more missionaries this year. Pray for the unity of the church here to keep being faithful sending them support.

We also had the opportunity to go help a new church that has bought an old casino and now is going to be remodeled to be their new church building. Our team helped clean out and remodel the building since it has been out of service for more than 20 years.

In April, we continued with our project to put a John and Romans tract in each house of our state (called "towns for Christ"). A team of 23 people went 2 days and we reached many small towns and villages, and 10+ people trusted the Lord Jesus as their Savior.

In May we had more blessings, many souls being saved and many Christians going out soul winning. Four new believers decided to follow the Lord in baptism. We will always praise God for their obedience.

My mother has been doing well please keep her in your prayers since she still has appointments to the eye doctor.

Another request is for my sister Virginia, she and her husband have been missionaries to the Indian tribes, southern Mexico, for over 20 years. She will need a surgery on her neck vertebrates. There is a very good doctor that God has lead to help her; he will not charge for his surgery team labor and also he will not charge for the titanium pieces(this is over \$15,000 dlls.) so the only charge will be for the hospital. I don't ask for my personal need, whenever I ask is for some church projects or for someone else, in this case is for Virginia. The approximate cost for the Hospital will be \$3,000 dlls. If you will like to help her for her surgery, please let my sending church know about it.

If it's not possible please keep her in your prayers, And remember, you have always been kind and generous and I will always be thankful to you. We do love you all and pray for you.
