## VBS 'JESUS IN THE WAY'

*Dear Pastor and Friend in Christ*

*Jan 2019*

*"Now I beseech you, brethren, for the Lord Jesus Christ's sake, and for the love of the Spirit, that ye strive together with me in your prayers to God for me;" Romans 15:30*

*I want to thank God for his blessings and for each one of you and your faithfulness.*

*In July we were able to organized a great youth camp where we not only take advantage so that they have fun but so that many of them get closer and right with God.*

*In August we enjoyed much having our VBS; weather was very hot, as it is every year, but it is fun to work and try to reach the next generation for Christ.*

*Evangelism goes on week after week and there have been people saved and visitors who have come to church and have been baptized after professing Christ as their Savior. More than 18 years ago Marco came to church as a child from the bus route but stopped coming when he entered adolescence age.*

**Marco and Miriam**

*Now as a young adult, married and with a child, God guided him to return to His paths and, together with his wife (who got saved), they were baptized; once again, praise the Lord for your faithfulness and the consistency of each one of you in praying and supporting this ministry, just like them, I am are sure there are many other Marco's around the world; NOTHING IS IN VAIN FOR THE LORD!!!*

*In September my sister Virginia had successful spinal column surgery, glory to God! Thank you for be praying for her and those who could help for the cost of hospitalization (remember the neurosurgeon donated his fees and the pieces of titanium). My mother, who has been very well in health, was the one who was taking care of her the first days.*

In November, again, we organized this conference that has become very special, both for the attendees and for us who are hosting them, as we focus only on the families that have been called to the ministry and we seek to be a blessing with our hospitality and fellowship but, above all, the teaching of the Word of God for them, not as Pastor but as parents and children in the ministry. We had 31 families and we were all blessed to help many people move forward in every place where God has placed them to work.

This last semester was very difficult for me and my family, I thank you very much for your prayers, I even value them more in these moments of pain that we have gone through. I must learn that I have in you and your love a lot more since I am not worthy of being alive to serve God. After knowing the event that happened a few months ago with the Missionary to Cameroon, Brother Wesco, whom I had the honor of meeting with his family in 2016 at Pastor Judd's church, I thank God for the life of this man and I thank my Lord for the life He gives me and I really thank you, very much, for your prayers, I firmly believe that they are what has helped me not to faint; thank you very much and please remain faithful praying for every one of God's ministers in every place where they are but **ESPECIALLY** for your Pastor.

My laptop broke down and it delayed me a lot, it's not an excuse but I want to apologize, now, everything is fine and I want to say goodbye, hoping you had a Merry Christmas and a wonderful New Year.

**IN CHRIST`S LOVE**
