October 10, 2020

Dear Pastor K. Preston Gray and Harvest Baptist Church,

In times like these I am so glad that the Lord is my Lord, my God, and my Savior. He is our Source, our Protector, and Sustainer. Truly there is no God like unto our God, for He alone is the Living and True God. Bless His Name!

Thank you for your continue faithful support in finances and prayers on behalf of our ministry. We really appreciate your faithfulness. We are continuing to work with the Lord's churches in Canada. Through all of these difficult times the churches continue faithfully serving the Savior, for which we praise the Lord.

Pastor Isaac Bueckert, in Red Deer, Alberta (Bible Baptist Church) is, like so many other churches, carrying on the ministry over the internet. In this way they are able to continue to reach out and encourage the church family there. In speaking to him recently he was telling me how their outreach is going beyond what they could imagine for they have reached out to over a 1000 listeners to their church broadcast. He also asked prayer for their teenage daughter, Jamie Lynn, as she recently broke her collar bone. She is doing well, but please pray for her.

Pastor Jason Bueckert, in Calgary, Alberta (Old Paths Baptist Church) reports that they too are reaching out through the internet to their church families. He has found that the broadcast is reaching beyond their church family to several thousand listeners as well. The church is in good spirits in spite of the difficult times we are in. He asks prayer for an unspoken request for a family in his church as well. Please pray for this church, the pastor, and the pastor's family.

Shortly before this virus arrived Pastor Lloyd Kohl, Lethbridge, Alberta, (Faith Baptist Church), had to have open heart surgery. He is recovering well though there were some problems following the surgery. Please pray for him and his wife Shirley. They continue to faithfully serve the Lord in Lethbridge even through these difficulties. I would also ask prayer for their daughter Kristen as she too is having some very difficult health issues to deal with.

In closing, we want you each one to know that we pray for you regularly that that Lord will meet your needs and bless your ministries.
