Dear Pastor K. Preston Gray and Harvest Baptist Church,

Time goes by quickly it seems in these very confusing days we live in. Still the Lord is ever with us; for we have His promise in Hebrews 13:5, "...I will never leave thee, nor forsake thee." Bless the Lord we can face uncertain days with this great promise.

The churches in Canada continue their faithful labors. I speak of the churches we, together, had a part in establishing, by God's grace. Their pastors and people, like the churches in our country, have faced these confusing and difficult challenges. Yet they continue on with public services as they can and services over the internet. Please pray for the churches in Canada to do what they can in obedience to our Lord's command.

Recently we heard of a pastor in Edmonton, Alberta, that is in jail for practising his conviction that the church is to assemble together, as is plainly stated in Hebrews 10:25. Who would have thought we would live to see the day when in freedom loving countries men would face punishment for doing what the words of God command us to do. Yet now we face those very same threats. Though this church is not affiliated with the independent Baptist churches yet they are seeking to serve our Lord. Please pray for this pastor, his church and his family.

Pastor Isaac Bueckert, of the Red Deer Bible Baptist Church, gives testimony to the goodness of the Lord in allowing them to see souls saved and baptized. He also rejoices in the fact that the Lord has opened a door for him to earn wages through a secular job. Isaac has faithfully served the Lord in Red Deer, Alberta for which we rejoice in Lord.

Paastor Jason Bueckert, of the Old Paths Baptist Church, Calgary, Alberta reports, that the Lord is giving them souls getting saved and baptized as well. They have continued to be able to meet in spite of the restrictions, for which we praise the Lord.

Pastor Lloyd Kohl, of the Faith Baptist Church, Lethbridge, Alberta, continues to stay in contact with his people by letter til they can once again open their church services. They normally meet in a Senior Citizens' Center which is closed to their use until the government restrictions are lifted.

Please pray for each of these church. In closing, we want you to know how very much we appreciate your faithful support. May God bless you is our prayer.
