FAMILY TO ETHIOPIA

ETHIOPIA SHALL SOON STRETCH OUT HER HANDS UNTO GOD. PSALM 68:31

## Prayer Requests

1. Pray as we follow up with those who have recently been saved!
2. Pray for God to continue to do the work in lives and hearts that only He can do through His Word and His Spirit!
3. Pray for peace in Ethiopia as there is much ongoing conflict at this time!
4. Pray as we talk to believers about baptism, discipleship, and church membership that they would take the steps of faith God wants them to take!
5. Pray for God to continue to raise up faithful laborers for His harvest in Ethiopia!

THANK YOU, FRIENDS!

## BLESSINGS UPON OUR RETURN!!!

We are so very happy and blessed to be back to our home and ministry in Ethiopia! We thank all of you who prayed for our safe return! God amazingly worked everything out with our needed negative covid tests. We amazingly received our last needed negative result while we were in the LAX airport! We would not have been allowed on our plane without this! Once we arrived, we had to isolate for 2 weeks, which allowed us to get over jetlag and catch up with some needed unpacking and cleaning. We were so excited to reopen for in-person services "covid style" the very first Sunday we had finished our quarantine! We set up 30 socially distanced chairs, but ended up having a.70 people show up for service! I also had the amazing privilege to baptize my youngest son, Jonan, who had

trusted Jesus as his Savior while on our furlough!

We have gone from averaging 30-40 on a normal Sunday to averaging 50-60 each Sunday!

Due to this, we have now gone to 2 morning services. God is so good! We are going out with Gospel tracts each week with our

masks and gloves on. God has given us new visitors every Sunday! We also had a great youth activity with A Gospel message! We have started a new series through

the book of James called "Faith in Action" that has challenged us to live out our faith!

We have a huge vision and many plans for the next few months! Please pray with us as we continue to fulfill the Great Commission here in Ethiopia! God is doing a mighty work here that it is hard to put into words! Thank you for your faithful eternal investment!
