FAMILY TO ETHIOPIA

ETHIOPIA SHALL SOON STRETCH OUT HER HANDS UNTO GOD. PSALM 68:31

NEW BIBLE STUDIES & MANY SAVED!!!

“The gift of God is eternal life through Jesus Christ our Lord (Romans 6:23b).” Praise the Lord for what He continues to do as we follow His plan!

After teaching on heaven to around 70 children at a monthly feeding ministry we have had the privilege of sponsoring multiple times, **22 children walked forward to say they had prayed to trust Jesus alone as their Savior!!!** This included a number of children who were orphans or only have one parent and at least 1 Muslim girl! Pray for these precious kids to grow in the Lord!

Family at our new Bible study!

Praise the Lord also that we have had the privilege of starting 2 new Bible studies!

They have been going extremely well as we build a foundation for our eventual church plant! The one is in our current home with the family of the man that was on the same airplane as me back in January! Please pray for his grown niece,

Himenote, who has been coming faithfully to be saved as well as another grown niece who came 1 time to be saved!

The other Bible study is across town in the building God has miraculously provided to be our church. **Praise God for a young couple, another man and our taxi driver who have come to these first few Bible studies!!!**

I have also had the privilege of preaching through Ecclesiastes on Sundays at a national pastor's church! I have greatly enjoyed this and learned so much!

Praise God, after much hard work, we also finished Phase 1 of language school as a family!!! Please continue to pray as we move across the big city at the end of November and continue to move forward fulfilling the Great Commission! We love and appreciate each of you so much!!!

For His Harvest in Ethiopia,
- Joshua, Ruth, Jeremiah, Joel and Jonan

Ruth's Health

Thank you to all those who have been continuing to pray for Ruth's TMJ condition! We are very excited to share that Ruth has greatly improved and her pain has greatly decreased. Praise God!!!

Please continue to pray as Ruth has more transitions to fully stabilize this condition. Our last monthly visit will Lord-willing be in December!

We want to thank those who have already given to help with this unexpected expense! The final cost for the entire 6 month plan (including only medical care, economy flights, needed transportation, and budget hotels) came in at just over \$20,000.

Praise God for the over \$5,000 that has already been given! If God leads you to help with the remaining amount, simply write a check to Lighthouse Baptist Church with **“Ruth Lovegrove's health”** in the memo line. Send to LBC, 383 Wheatfield Street, North Tonawanda, New York 14120.
