ETHIOPIA SHALL SOON STRETCH OUT HER HANDS UNTO GOD. PSALM 68:31

GREAT AND MIGHTY THINGS IN 2019!

Gospel Focus

“GO YE INTO ALL THE WORLD AND PREACH THE GOSPEL TO EVERY CREATURE (Mk16:15).” The importance of getting the Gospel out to those around us cannot be overstated! This is what God has left us here on earth to do!

We count it a wonderful privilege to go out every week with Gospel tracts in 2 languages of Ethiopia. What a great honor and responsibility we have to show and share the love of Jesus with others! This is our PASSION!

We praise God for allowing us to give out over 15,000 Gospel tracts in 2019! Are you faithfully sharing the Gospel with others?

How do we describe what God has done in 2019? Amazing! Miraculous! GREAT AND MIGHTY THINGS! Yes, yes, and yes!

In March, The Lord allowed us to plant the first Baptist church in our area of Ethiopia. God miraculously provided a church building, a needed translator, and has brought 100s of new visitors. We praise God for 23 people who have been saved in our area and 8 baptized in our new baby church in 2019!

We also are rejoicing that God allowed us to have a part in seeing 54 others trust Christ as their Savior outside our area through other ministries in 2019! We are now averaging around 40 in attendance every week with a high day of 133 in 2019.

We were able to have our first VBS with over 60 in attendance, start a Bible institute with 4 guys recently finishing our first course, OT Survey, and have 6 youth activities to challenge the young people to live for Jesus in 2019. We were also able to train other Christians, pastors, and missionaries in reaching others with the Gospel in their areas, as well as reaching and teaching children. Ruth's Sunday School class is a highlight of each week for the kids!

She puts so much time, prayer, and love into that class. We recently had 25 of our faithful people show up on a Saturday to help us fold around 6,000 Gospel tracts (see pic). **Thank you from our hearts for your support in 2019!!!**
