FAMILY TO ETHIOPIA

ETHIOPIA SHALL SOON STRETCH OUT HER HANDS UNTO GOD. PSALM 68:31

Drive Fund

Now that we have moved to Ethiopia, **we need to be able to purchase a car** to get around within the next few months as God provides!

After a lot of hard work and 3 needed authentications, we can now apply for our Ethiopian driver's licenses!!!

Cars are 3 times the price here due to a 200% import tax. We are needing \$20,000-\$30,000 to purchase an older 4x4 to get around here and do ministry!

If you or your church feels led to help, write check to **Lighthouse Baptist Church** and put **LOVEGROVE DRIVE FUND** in the memo line. **Thank you for your prayers and help!**

SAFELY MOVED TO ETHIOPIA!!!

“Call unto me and I will answer thee and shew thee great and mighty things, which thou knowest not (Jer. 33:3).” Wow! How do we put into words **all that God has done** in the past few months?

God provided our plane tickets and our visas were approved!

After almost 15 yrs of preparation and 20 yrs after our family left Ethiopia, **we arrived safely in Ethiopia** late at night on February 28th!

God has so blessed in the past few months! I was able to witness to Leroy at a car wash in AZ. **At the end of presenting the Gospel, he asked if he could pray right now to trust Jesus**

as his Savior, and he did! Praise God!

About a year ago, I received a phone call from an Ethiopian man named Robel (in picture). He was a Christian living in Canada who had gotten our info. Found

out he was in a Bible study of a veteran missionary **my parents worked with 20 yrs ago!**

Long story short, I met Robel in Nov. and

visited Ethiopia with Robel, his brother Mengi and sister Martha (live in USA) and met the rest of his family in January! **He has a new large house I was able to see he is offering to us for our eventual church! We thank God for each of you!!!**
