

August 2019

Dear Faithful Partners,

We concluded our summer's journey with a grand total of 13,600 miles traveled and several new partners for our work in Sierra Leone! During the entirety, we experienced no mechanical issues, no accidents, and no ill-health. Praise the Lord for a productive season! Thank you all for the prayers that went before us in our deputation travels.

We are once more on the East Coast, continuing with a full schedule meetings, scheduling of new appointments for the upcoming year, and beginning the new school year for the children. It will continue to be a busy season, and we are excited to see the Lord work!

Here are some things to pray for:

- *Continue to pray for our family as we travel.*
- *Pray that God will continue to provide faithful partners in the mission.*
- *Christin's mother's health.*
- *The people and the ministry in Sierra Leone*

In Christ,
The Evans Family
