*Isaiah 42:6 I the LORD have called thee ... for a light of the Gentiles*

### May 2020 Highlights

Dear Pastor,

**Our Flight:** Our May 27<sup>th</sup> flight back to Portugal was canceled. The next possible flight with the same airline will be July 1<sup>st</sup>. Please be in prayer that God works all the different details out so we are able to return to Portugal in the very beginning of July. The church family there in Travanca is doing, and we are of course all eager to return. However, we know that God has a plan which is easily seen through at least four sets of blessings.

**Set of Blessings 1:** We thank & praise the Lord for allowing us to schedule two more meetings for this furlough. Both of these churches are in Southern California. Please pray that would use us to be a blessing to both churches.

**Set of Blessings 2:** We have been able to begin scheduling for our next furlough which will be January - June of 2023 only two-and-a-half years away. Praise the Lord, we already have two meetings scheduled for that. Our plan is that January through mid-February will be in CA, mid-February to mid-March in AZ, mid-March – the beginning of April will be NM, April - the beginning of May will be TX and OK, and then the rest of May to the end of June would be returning to CA. Please email us if you would like us to give an update at your church.

**Set of Blessings 3:** Another set of blessings has been being with our church family during this unique phase of church life.

**Set of Blessings 4:** We will be able to attend the weddings of two of our teens from when we served with the youth at our sending church.
