## Northern Macedonia

**And a vision appeared to Paul in the night: a man of Macedonia was standing there, urging him and saying, “Come over to Macedonia and help us.” And when Paul had seen the vision, immediately we sought to go on into Macedonia, concluding that God had called us to preach the gospel to them.**

**Acts 16:9–10.**

Greetings Friends and Family,

---

**Long ago the Apostle Paul received a call to Macedonia. Today it is an honor to announce I will be leading a new multi-year project that ETG is launching this October located in a rural region of Northern Macedonia.** A request has been received to strengthen a team of 35+ evangelists/pastors led by a devoted Nigerian missionary that ministers among the destitute. This devoted team has planted nearly three dozen churches among the poor in regions where churches have not been present for many generations.

The nation of Northern Macedonia is void of access to training in biblical interpretation, ministry practices, and evangelism core competencies. **It is my aim to overcome this hurdle, to equip these devoted ministers, by conducting multiple trips each year to lead a biblical training forum combined with evangelistic outreaches.** The same model that has led to over 100 Nigerians being trained and mobilized into evangelistic ministry across West Africa will be leveraged. Graduates of the Nigerian forum saw the Holy Spirit lead over 4,000 Rwandan villagers to make decisions for Christ this past summer through their intentional evangelism efforts. **It is my hope that the Macedonian evangelists will likewise be equipped and anointed to lead the lost unto salvation throughout the Balkans as Christ's ambassadors.**

**Partner with ETG, to affirm, train, and mobilize these devoted evangelists in Northern Macedonia. Only through the ministry of the Holy Spirit will transformative training and soul winning proclamation occur - therefore pray with us, inviting the Lord to guide, empower, and glorify himself through this exciting new mission.**
