Dear Faithful Partners,

September brought us back to the East Coast. While we have been blessed with many appointments, we were also able to visit with family and friends and begin our first year as homeschoolers! Though God has filled most of this year's calendar, we were able to squeeze in a few more appointments for 2019 and also begin scheduling meetings for 2020.

During our visits this month, we have already been affirmed by four new partners and received confirmation from some of our summer visits. God is so good to our family and we are right on track in reaching our support goals! We will be traveling for the months of October and November to the Northeast and Midwest. We covet your prayers for our family in health, new partners, schooling, travel, and opportunity to share Christ with those we meet along the way.

As we begin to approach the Christmas offering season we would ask that you prayerfully consider adding our family and ministry to your list of "special projects." We have begun the process of raising additional funds for our set up expenses and our goal is to have the funding for these expenses raised before May of 2020. If you are interested in contributing a Christmas gift and would like a detailed list of our needs please feel free to contact us.

In Christ,
The Evans Family
Matthew 9:36-38
