

The Evans Family: *May 2020 Ministry Update*

Reaching Sierra Leone for Christ

Hello Friends & Ministry Partners,

First, we thank you for your faithfulness in prayer and giving during these uncertain times! You have been--and are--such a blessing and encouragement to our family. Please know that as you are committed to praying for our family and ministry, we are praying regularly for you as well. Our Father has allowed this "pause," and we trust His sovereignty.

As we have been quarantined, we--like you--have adjusted our methods of ministry. Zoom meetings and online services have become a new normal for us. We are encouraged by the wonderful work and adaptations we have witnessed, knowing that only eternity will reveal the great impact of the Gospel during this time!

We have also continued working on our deputation schedule which is evolving as a result of the COVID-19 pandemic. Currently, we have "lost" two months of appointments. As communicated last month, our initial launch date has been pushed back from September. While we are blessed to have rescheduled some of our deputation travels, the extended time stateside has opened several dates and we have been diligently contacting churches and pastors. Our heart's desire is to reach Sierra Leone as soon as God allows. Please, if you have any church/pastor referrals, let us know.

Prayer Needs:

- That God will abundantly fill our deputation calendar with new meetings, blessing us with new partners in reaching Sierra Leone for Christ
- Wisdom for the national pastors of the Sierra Leonean churches as they minister during the pandemic with limited resources
- Provision of the remaining \$5,000.00 needed for our set-up cost expenses to be met
- Continued physical, spiritual, and emotional health of our family

In Christ,
The Evans Family
(Shaun, Christin, Kaitlyn, Kameron, & Wes)
