

February 2020 Ministry Update

Hello Friends and Ministry Partners!

The first month of this new decade is finished, and we are on count-down for our launch date September. We praise the Lord for many things:

- The provision of new partners from our recent appointments in January
- A full schedule and multiple upcoming mission conferences
- The salvation of a new soul last week!

Through the generosity of many of you, we only lack \$6,000.00 to meet our set-up expense needs! If you would like to contribute in helping us get to the field, just click on the “Donate” button below. God is good and is answering your prayers for our family in health, travel, and accomplishing our goals to reach Sierra Leone. Please continue to remember us before the Lord. Here is how you can pray:

- God will continue supply our needs and give us more partners in the mission.
- Our calendar will stay full with meetings throughout the year until we reach the field in September.
- The people of Sierra Leone will remain open & receptive to the Gospel message.
- People here in the US will respond positively to the Gospel and the Great Commission as we share it.
