**MARCH 2021**

Dear Faithful Supporters,

Exciting things are happening in the ministry in Port Elizabeth. The Bergey family arrived safely back in South Africa the end of 2020 and hit the ground running. The Little Fish Ministries property was quite overgrown and much work has to be done in preparation for the years to come and the many abandoned children whose lives will be touched through this ministry. The addition on the cottage is almost completed and hopefully by the end of this month we will see the completion of the playground. We are so thankful for all that the Lord has provided.

It was great to be able to actually hold Abundant Life Baptist Church services in person instead of through Zoom. I have truly enjoyed teaching the children's Sunday School class again and just getting to fellowship with the ALBC family. God has been blessing the ministry of the church. We have had several new families and individuals attend church activities and hear the Gospel clearly presented. Just last week we had a young lady accept Christ as her Savior.

In January we welcomed a new member of the Little Fish Ministries team, Lorna Mitchell. She will be the first house mom for abandoned and orphaned children. It has been great getting to know her and assisting her in transitioning to the field. It is a blessing to have more people on the field with the goal to reach the people of Port Elizabeth with the Gospel.

In my last update I mentioned I would be leaving for the US on Christmas day. However, due to the new variant of Covid my flights were cancelled and I made the choice to stay put until things were a little more stable. The Lord's timing is perfect and I was able to return to the USA on February 27th for a short furlough (March through mid-July). The Lord has provided several meetings with supporting churches. I look forward to sharing what the Lord is doing in Port Elizabeth. If you are interested in having me come and share about the exciting things happening with Little Fish Ministries, please feel free to contact me via email: [h.bennett@dbmi.org](mailto:h.bennett@dbmi.org) or call 814-203-0321.

## **Prayer Requests**

- \*Remaining \$ for LFM CLINIC
- \*Safety while traveling
- \*Return to SA in mid JULY

## **PRAISES:**

- \*Bergey's safe return to SA
- \*Lorna's arrival in SA
- \*Safe return to USA
- \*Furlough meetings set up
- \*B's salvation

Thank you to all who have given towards the LFM clinic and nurse housing. As of right now, the Lord has brought in just a little over \$10,500. A total of **\$50,000** needs to be raised for this project. Most abandoned children that come into our care will need immediate medical attention, and often ongoing care, so the need for building a medical clinic is imperative! Please help meet this need by August 2021. To be a part of this project you can do so online at <https://dbmi.org/give/> or
