

Mt. Carmel Baptist Church

Dear Church Family,

With each passing week we are happy to see more and more people confident enough to gather with us to worship in person. This past Sunday, we had one of our largest crowds in a worship service since Covid-19 became a major issue. The main question we now have is ... **Can we continue to build momentum leading into Easter?** I believe this is possible if we continue to steadily invite guests and members alike to worship with us. If you invite them they will come.

I love the words of Paul that he gives in relation to the Gospel message that he (like us) was entrusted with ... **Acts 20:24** *24 But I consider my life of no value to myself; my purpose is to finish my course and the ministry I received from the Lord Jesus, to testify to the gospel of God's grace. (CSB)*

Let's commit ourselves to the ministry that we have received for our Lord and continue to testify to the gospel of God's grace. Keep in mind, that in this new world people all around us are looking for God's grace, His hope, His friendship, His acceptance, His community & His love. Let's be the kind of church that purposefully reflects these attributes of God through our own faith and actions.

Finally, I want to remind us that the local weather storm from the previous weeks have greatly diminished our regular collection of tithes and offerings. Through the first two months we are approximately \$16,000 short of budget requirements. Please know that your commitment to contribute through regular tithes and offerings enable our church to carry on the Lord's work until He returns. Please note that general offering envelopes can be picked up through your Sunday School Classes, Main Foyer tables and the Church Office.

Under His Influence,

Pastor Charles
