## REVERSE SCAVANGER HUNT

### For Parents

The reverse scavenger hunt is one of the most exciting events of the AWANA year, and it's also a great opportunity for you and your clubber to work together and prepare. Each clubber is supposed to bring a bag or box of random odds and ends (paper clip, rubber band, hotwheel car, you name it! I will read random items off a list, and the team that can find that item and bring it to me fastest wins that round. We highly encourage you and your clubbers to get creative and think of the silliest items you can, because they might be on my list!
