

# **CRCSJ Policies and Guidelines**

**June 2020**

## **Weather Related Cancellations**

### **Automatic Cancellations**

If two hours prior to the start of a church activity the National Weather Service indicates a Tornado Watch, Tornado Warning or a Blizzard Warning to be in effect within 1 hour of the start of that activity, that activity will automatically be cancelled.

Cancellation of weekday (Monday - Friday) daytime activities will follow the St. Joseph Public Schools – if St. Joseph School is cancelled due to weather factors, the church activity is cancelled.

### **Cancellation Deadlines**

Evening activities will be cancelled by 5:00pm.

Sunday Worship services will be cancelled by 7:00am.

Additional weekend events will be cancelled 2 hours before scheduled beginning of event.

### **Who Will Make Cancellation Decisions**

#### **All-Church Activities (e.g. 1Family, Special Events)**

The Pastor will work in conjunction with one of the following parties to make the decision.

- 1) Chair of Executive Committee
- 2) Chair of Council
- 3) Worship Elder

#### **Individual Ministries**

Individual ministries may choose to cancel an activity based on their own specific circumstances, but will be superseded by any decision to cancel all activities made by church leadership. If individual ministry events are cancelled, ministry leaders should contact office.

### **Communication of Cancellation**

Notice of cancellation will be sent out thru email and thru a Remind.com text message.
