We are very excited about our search for our new youth minister and we would like you all to be involved. On Friday March 19th (weather permitting) we will have a cook out at City Lake Park Pavilion. This will be for our middle school students and their families to meet the potential youth minister and get to know him. On Saturday we will do the same thing with the high school students and their families at Jamie and Stephanie Whites house. He also will be teaching a combined youth class on Sunday morning at 10 a.m. as well as the lesson Sunday Morning during second service. We hope you are all excited about these upcoming events and will participate with your children.
