SECTION 3: **OUTREACH STORIES AND TESTIMONIES** (Be sure to tell stories of those who were impacted through ministry. Please use additional pages as need)

During the Quarter under review January to March 2020 I had some opportunity of going to Chibombo District. Where I did evangelism in villages, this is in rural set up. I was going village to village doing the work of evangelism. We had some challenges, because of the drought we had last year, people are in great need of food. Famine is very severe. People takes days without food.

I had to work hard with my team to make sure besides hunger people should make a good decision of choosing Jesus in the midst of trouble. At the end of 10 days of our mission 21 people surrendered their lives to Jesus Christ as their personal Saviour. and we directed the new converts to join some churches which are established in the area which preaches the truth of God. Christ as a centre of salvation of mankind.

During the same period we found ourselves in a serious situation. There came people who were passing citizens in houses, hospitals and bars it was tough immediately. There came corona virus, some people died during this period.
