During the quarter under review October to December 2019. We Ordained number of clergy men, Since I'm in a counsel of pastors in Lusaka. These were different ministers of the Gospel from various churches and ministries. This took us 2 days. first day we had to interview each person, how they were called, what Bible school did they attend, what is their Biblical belief, etc. Who is their pastor if they committed sin, will they be willing to be suspended. How long they have been in the ministry. Did they get permission from their leaders to be ordained, do they pay tithe to their local churches or ministries. This took us the whole day from morning until evening. The following day, we had ordination Overseers, Pastors, Reverends, Evangelists, Pastors. SECTION 3: OUTREACH STORIES AND TESTIMONIES (Be sure to tell stories of those who were impacted through ministry. Please use additional pages as need)

During the same quarter I went with my team to Kafue District. This is a small town in Lusaka province. There we went Zambia compound, where we had door to door evangelism. This is a shanty compound. People here are living a hard life. They have no access to clean water and sanitation. We were there for 8 days going door to door evangelism and distributing Gospel tracts, which people enjoyed reading. We faced some challenges, because of hunger prevailing in country, people were asking for money and or food which we did not have and we explained well to them in love and they did understand our position.

We laboured in prayer and evangelism, a good number of people responded positively to the Gospel of our Lord Jesus Christ. About 72 people were saved and gave their lives to the Lord Jesus Christ. The new converts I submitted them to already existing churches in the area for their growth and baptism. Total No. of people saved this quarter 72.
