Dear Sponsor,

First of all I would like to take this opportunity to thank you for the good support, rendered to me and my family. please thank you very much Keep it up.

As a family we are doing fine by His good grace. We live and survive by His care and protection. Our last born Ruth was trained as circle social councillor which she did very well, and she found employment at St Paul's Hospital at Kashikishi in Luapula province, about one thousand (1000) kilometers Northern of Zambia.

While there she became sick and very sick she was staying alone in the house. When we heard about it my wife had to travel there and found that she was very sick. She was taken to hospital and examined through X-ray and found that she was suffering from T. B. Tuberculosis. She was put on medical treatment and the mother came with her home in Lusaka and now she is responding well to medicine. She is recovering well we thank God.

SECTION 2: MINISTRY AND TRAINING INFORMATION

During the quarter under review October-Dec 2018 We had children's dedication Sunday, Where by parents brought their children to the Lord. As couples came forth willingly to witness of this wonderful occasion, the couples sat with their children or child. In first place I prayed after that I told them how nice was the day.

Then I read in the Bible from the book of Mark 10: Verse 13-16 Where Jesus said let the little children come to me, and do not hinder them, for the Kingdom of God belongs to such as these.

Then I explained to them the importance of up bringing children in the fear of God as Christians I challenged them to teach their children the Word of God, and to pray for them every time, and to have Bible studies in their homes as families. In order for them, them to become good future citizens.

After that I started praying for the children, before I pray for a child I will ask a couple if they are to teach them the Word of God? they will answer yes then I will pray for a child. It was well and encouraging.

In a same period we had Christmas celebration all the church members came together to rejoice about the birth of our Lord Jesus Christ. We had a good service we sang Christmas carols, poems etc.

After that I preached the sermon from the book of Matthew 2: Verse 1- In those verse we saw how much God loves us by demonstration of sending His only Son.

SECTION 3: OUTREACH INFORMATION

During the quarter under review October to December
We had an outreach to Chilanga the township
in Lusaka. I went with the team of youths from
our church, because we have a church there.
We went to boost that church. Through evangelism
We camped at one of the houses of our church member.
In the morning we will go door to door evangelism & will
put them 2 by 2 and send them to do the work
of evangelism, because those youths are well trained
on evangelism, they did a good work for the Lord.
After witnessing to the people they will invite them to the
church after praying with them in a confession prayer.
And they will distribute Gospel tracts to all those
who received Christ in their lives, and to others
who wanted to read the tracts.

We had a good time to see new converts come
to the saving knowledge of our Lord and Savior Jesus
Christ. We were there for 10 days on Sunday
of that week. We received 31 new visitors who
came and joined the church as a result of
evangelism in the area. People were very much
excited to hear the good news of the Gospel of Christ.
After Sunday service we remained some days to evangelize
those new converts. Total number of new converts 31 people
