SPONSORSHIP REPORT

SECTION 1: PERSONAL INFORMATION and FAMILY INFORMATION

Dear Sponsor,

Christian greetings in the wonderful name
Of our Lord and Saviour Jesus Christ the soon
King.

In first of all I would like to express my deepest
heart felt appreciation to you people for the wonderful
support rendered to me and my family. We always thank God
for your support, Keep up with good works you are doing.
As a family we are doing well by His good grace, but life is
not easy we have experienced a severe drought in Lusaka
Southern, Central and Western provinces. No rains since
December 2018 all crops that was planted are all dried up
due to drought. This have resulted severe hunger in the
Nation, which means many people they are having one meal
per day or having nothing the whole day, The situation is
tense. The prizes of food have gone up by 100% percent
which means only few people can afford to buy food
in shops. It is death and life.
As a family life is not easy for us, But we have continued
to have Bible Studies praying to gether and give thanks
to God in every thing. Thank you.

SECTION 2: MINISTRY AND TRAINING INFORMATION

During the quarter under review January to March 2019 As a church we conducted prayer and fasting for one week to ask God to intervene in all the challenges we may face through out the year, and many members of the church participated and sacrificed their time to do this noble task. Which was very much encouraging to see even new members joining prayer and fasting. We are building up a strong church of the Lord Jesus Christ. As Gospelink preachers in Lusaka we have continued to meet every first Monday of the month to pray for various needs such like Gospelink office, headquarters our dear sponsors, praying for the needs of others and many more.

During the same period our women ministry invited their fellow women to the church and having fellowship with them, showing them the love of Christ, as committed Christians it was a nice time every body was happy and enjoyed the programme.

During the same quarter I continued to train my church leaders on the importance of commitment, every leader should be committed to the work of God in order for him to inspire the members of the church to become examples to others, by doing so the work of God will grow and expand. Every work depends on leadership if leaders are strong even followers will be strong, if leaders are weak also members will be weak. So we have the challenge before us

SECTION 3: OUTREACH INFORMATION

During the quarter under review January to Dec 19 We had any out reach in Chazanga this is one of our Churches, in Lusaka. We went to Revival our church there for 4 days, during the day we will go out door to door and invite people to come to church and attend the revival in the evening. Sometimes we will go to Market and open spaces inviting people to the church, in the evening we will start with singing praise and worship, then testimonies, thereafter preaching of the Word after preaching inviting people who want to receive Jesus in their lives and pray for them. At the end of the revival 31 people received Jesus in their lives and these people were added to the church membership.

During the same period I had any out reach at Chirundu under Siavonga District at the border of Zambia and Zimbabwe I involved some pastors of the same area to help in the work of evangelism. We went to the Market distributing Gospel tracts to the people and talk to them about the Lord Jesus Christ and the importance of Surrendering their lives to Him for the forgiveness of their sins. As they confess them to him.

Some times we will go door to door distributing Gospel tracts and witnessing about our Lord Jesus Christ because He is only the Saviour of the World. I was there the whole one week. At the end of the mission about 118 people gave their lives to the Lord. And new converts were shared among the churches that was involved for their baptism and spiritual growth.

Total number of new converts this quarter 19 people.
